Preventing torture around the world

<https://policybase.cma.ca/en/permalink/policy11658>

Policy Type:	Policy resolution
Date:	2015-Aug-26
Topics:	Health care and patient safety Ethics and medical professionalism
Resolution:	The Canadian Medical Association urges the federal government to prevent torture around the world by allowing third party investigators, including medical professionals, to examine and review detention centres.

Random breath tests

<https://policybase.cma.ca/en/permalink/policy9976>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Jun-01

Topics: Ethics and medical professionalism

Health care and patient safety

Resolution: The Canadian Medical Association (CMA) supports the use of random breath tests in existing police spot check programs as part of a comprehensive plan to reduce drunk-driving related mortality and morbidity in Canada. Any such programs should be consistent with the protections established in the Canadian Charter of Rights and Freedoms.
