

Quality assurance committees

<https://policybase.cma.ca/en/permalink/policy9573>

Policy Type: Policy resolution
Last Reviewed: 2016-05-20
Date: 2009-08-19
Topics: Ethics and medical professionalism
Health care and patient safety
Resolution: GC09-87

The Canadian Medical Association in collaboration with the provincial/territorial medical associations will vigorously oppose all attempts to remove legislated evidentiary protection currently afforded to those expressing opinions before quality assurance committees.

Salt content in processed food

<https://policybase.cma.ca/en/permalink/policy9528>

Policy Type: Policy resolution
Last Reviewed: 2016-05-20
Date: 2009-08-19
Topics: Population health/ health equity/ public health
Health care and patient safety
Resolution: GC09-93

The Canadian Medical Association will work with other national health care organizations to inform and educate Canadians about the adverse impact salt intake has on hypertension and cardiovascular disease and to lobby the food industry to reduce the salt content in processed food.

Sharing patient health information

<https://policybase.cma.ca/en/permalink/policy9576>

Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Ethics and medical professionalism

Health care and patient safety

Resolution: GC09-113

The Canadian Medical Association urges the Canada Revenue Agency to collaborate with Service Canada and Human Resources and Skills Development Canada to reduce redundant requests by sharing relevant patient health information, while at the same time respecting the privacy and confidentiality of patient records.

Standardized Packaging for Tobacco

<https://policybase.cma.ca/en/permalink/policy9732>

Policy Type: Policy resolution

Last Reviewed: 2017-03-04

Date: 2009-12-05

Topics: Health care and patient safety

Resolution: BD10-03-78

The Canadian Medical Association (CMA) calls on the federal government to require that tobacco products be sold in standardized packages of uniform shape and size.

Testing homes for radon
