Policy Type: Policy resolution

Last Reviewed: 2014-03-01

Date: 2007-08-22

Topics: Population health/ health equity/ public health
Health systems, system funding and performance

Resolution: GC07-10

The Canadian Medical Association will develop a policy framework and design principles for access to publicly funded medically necessary services in the home and community setting that can become the basis for urging governments to develop a Canada Extended Health Services Act.

Catastrophic prescription drug program

Topics: Health systems, system funding and performance
Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs

Resolution: GC07-11

The Canadian Medical Association urges the Canadian Institute for Health Information and Statistics Canada to conduct a detailed study of the socio-economic profile of Canadians who have out-of-pocket prescription drug expenses to assess barriers to access and to design strategies that could be built into a catastrophic prescription drug program.

Continuum of care

<https://policybase.cma.ca/en/permalink/policy8844>

Policy Type: Policy resolution

Last Reviewed: 2014-03-01

Date: 2007-08-22

Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Health care and patient safety

Resolution: GC07-14

The Canadian Medical Association believes that the issue of the continuum of care must go beyond the question of financing and tackle questions related to the organisation of medicine and to the shared and joint responsibilities of individuals, communities and governments in matters of health care and promotion, prevention and rehabilitation.

Informal caregivers

Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Health care and patient safety

Resolution: GC07-16

The Canadian Medical Association and its provincial/territorial medical associations and affiliates recommend that governments undertake pilot studies to support informal caregivers and long-term care patients, including those that: a. explore tax credits and/or direct compensation to compensate informal caregivers for their work; b. expand relief programs for informal caregivers that provide guaranteed access to respite services in emergency situations; c. expand income and asset testing for residents requiring assisted living and long-term care; and d. promote information on advanced directives and representation agreements for patients.

Mental health resources
