Health care and patient safety

Resolution: GC09-34

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, calls on governments and health authorities to examine internal market mechanisms, which could include a role for the private sector, in the delivery of publicly funded health care in Canada.

## Involving patients in the health care system transformation process

Health systems, system funding and performance

Resolution: GC11-42

The Canadian Medical Association calls on each province and territory to implement a Patient Charter within a national framework that includes: - the rights and expectations of patients with respect to the quality and timeliness of health care - the responsibilities of patients with respect to their health and health care - a mechanism for patients to register concerns and complaints about the quality and timeliness of their health care - a mechanism for the redress of patient complaints.
