Policy Type: Policy resolution

Last Reviewed: 2019-Mar-03

Date: 2008-Aug-20

Topics: Health care and patient safety

Health systems, system funding and performance

Resolution: GC08-14

The Canadian Medical Association urges governments, within their areas of jurisdiction, to adopt the Wait Time Alliance's benchmarks for psychiatric care.

Examination of adverse events

<https://policybase.cma.ca/en/permalink/policy11692>

Policy Type:	Policy resolution
Last Reviewed:	2019-Mar-03
Date:	2008-Aug-20
Topics:	Health systems, system funding and performance Health care and patient safety Ethics and medical professionalism
Resolution:	GC08-115 The Canadian Medical Association calls on regulatory agencies, hospitals, health regions and others to utilize a non-punitive quality improvement approach to the examination of adverse events while still acknowledging individual accountability.

Alternate level of care

<https://policybase.cma.ca/en/permalink/policy9222>

Policy Type:	Policy resolution
Last Reviewed:	2020-Feb-29
Date:	2008-Aug-20
Topics:	Health care and patient safety Health systems, system funding and performance
Resolution:	GC08-41 The Canadian Medical Association and provincial/territorial medical associations advocate for a management strategy for patients requiring an alternate level of care that alleviates the pressure on acute care hospital resources.

Drug abuse
