Tax programs and health care services

<https://policybase.cma.ca/en/permalink/policy431>

Policy Type: Policy resolution
Last Reviewed: 2020-Feb-29
Date: 2001-Aug-15
Topics: Health systems, system funding and performance
Resolution: GC01-52

That Canadian Medical Association recommend to the federal, provincial and territorial governments that they should immediately review the creation of tax-related programs that will help patients offset the ever-increasing out-of-pocket cost of health care services, which should include: 1. an increase in the currently allowable medical tax credit, and 2. a health savings plan similar to the RRSP program for application to anticipated future expenses such as long-term care, home care and pharmacological expenses.
