Topics: Ethics and medical professionalism

Health human resources

Health systems, system funding and performance

Physician practice/ compensation/ forms

Resolution: GC04-36

The Canadian Medical Association calls on the federal, provincial and territorial governments to work together with the Association and its divisions and affiliates to develop initiatives that are incentive based to encourage family physicians to retain hospital affiliation and provide hospital care in supporting the provision of the full continuum of primary care to patients.

Payment for discussions of patient health with other health professionals

<https://policybase.cma.ca/en/permalink/policy1508>

Policy Type: Policy resolution

Last Reviewed: 2017-03-04

Date: 2004-08-18

Topics: Ethics and medical professionalism
Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: GC04-44

The Canadian Medical Association recommends that provincial and territorial authorities recognize that any discussion regarding a patient's health between a physician and another health professional is a medical act to be duly compensated.

Federal cash transfers for health care

<https://policybase.cma.ca/en/permalink/policy1515>

Policy Type: Policy resolution

Last Reviewed: 2017-03-04

Date: 2004-08-18

Topics: Health systems, system funding and performance

Resolution: GC04-82

The Canadian Medical Association calls on the federal government, in the context of the upcoming First Ministers' Meeting, to commit to a Health Partnership Guarantee to ensure federal cash transfers for health care will never again fall below a minimum threshold of 25% of provincial and territorial health care costs.

Role of physicians in private delivery of publicly funded medical services
