Policy Type: Policy resolution

Last Reviewed: 2020-02-29

Date: 2008-08-20

Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: GC08-21

The Canadian Medical Association urges Canadian medical schools to include in their curricula material related to the deleterious effect of negative stereotyping of Aboriginal peoples suffering from mental illnesses and substance use disorders.

Academic writing and editing among practicing physicians and physicians-in-training

<https://policybase.cma.ca/en/permalink/policy11627>

Policy Type: Policy resolution

Date: 2015-08-26

Topics: Physician practice/ compensation/ forms
Ethics and medical professionalism
Health systems, system funding and performance

Resolution: GC15-47

The Canadian Medical Association will promote the development of resources to foster academic writing and editing among practicing physicians and physicians-in-training.

Accessible, comprehensive and high-quality care for transgender patients

<https://policybase.cma.ca/en/permalink/policy11227>

Policy Type: Policy resolution

Date: 2014-08-20

Topics: Health systems, system funding and performance
Ethics and medical professionalism

Resolution: GC14-38

The Canadian Medical Association calls for accessible, comprehensive and high-quality care for transgender patients.

Access to a family physician

<https://policybase.cma.ca/en/permalink/policy9534>

Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Health human resources
Health systems, system funding and performance
Physician practice/ compensation/ forms
Population health/ health equity/ public health

Resolution: GC09-29

The Canadian Medical Association will work with provincial/territorial medical associations (PTMAs) to urge governments to collaborate with PTMAs in the implementation of a program that will identify and manage "orphan" patients who do not have access to a family physician.

Access to comprehensive psychiatric assessment

<https://policybase.cma.ca/en/permalink/policy10854>

Policy Type: Policy resolution
Last Reviewed: 2020-02-29
Date: 2013-08-21
Topics: Health systems, system funding and performance
Resolution: GC13-35

The Canadian Medical Association will work with stakeholders to develop standardized processes to ensure access to comprehensive psychiatric assessment and treatment for people detained within the correctional system.

Access to family physicians

<https://policybase.cma.ca/en/permalink/policy9231>

Policy Type: Policy resolution
Last Reviewed: 2020-02-29
Date: 2008-08-20
Topics: Health human resources
Health systems, system funding and performance
Resolution: GC08-51

The Canadian Medical Association, while recognizing the need for better management of chronic illnesses and vulnerable populations, considers that such an emphasis should not be detrimental to the efforts aimed at guaranteeing access to family physicians.

Access to long-term care

<https://policybase.cma.ca/en/permalink/policy9500>

Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Population health/ health equity/ public health
Health systems, system funding and performance

Resolution: GC09-19

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, affiliates and associates, will communicate to governments that insufficient access to long-term care at all ages is an obstacle to improving the health care system.

Access to public long-term care homes

<https://policybase.cma.ca/en/permalink/policy11906>

Policy Type: Policy resolution

Date: 2016-08-24

Topics: Health systems, system funding and performance
Population health/ health equity/ public health

Resolution: GC16-35

The Canadian Medical Association will raise the federal government's awareness of the inequitable access to public long-term care homes that is experienced by patients with financial, cultural and/or linguistic barriers.
