Topics: Health human resources

Ethics and medical professionalism

Health systems, system funding and performance

Resolution: GC10-70

The Canadian Medical Association calls on the Association of Faculties of Medicine of Canada, faculties of medicine, College of Family Physicians of Canada and Royal College of Physicians and Surgeons of Canada to greatly expand efforts to familiarize medical students and residents with the application of evidence-based medicine, including systematic reviews, clinical practice guidelines, care pathways and related techniques to improve quality, safety and efficiency in medicine.

## Capacity of the medical educational and training infrastructure

<https://policybase.cma.ca/en/permalink/policy1888>

Policy Type: Policy resolution

Last Reviewed: 2019-Mar-03

Date: 2005-Aug-17

Topics: Health human resources

Health systems, system funding and performance

Resolution: GC05-68

The Canadian Medical Association calls on the federal government to commission an independent body to assess and report on the capacity of the educational and training infrastructure across Canada to expand enrolment in medicine and nursing programs.

## Chalk River National Research Universal reactor

Topics: Health systems, system funding and performance  
Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs

Resolution: GC10-102

The Canadian Medical Association urges the federal government to make a public commitment to keep the Chalk River National Research Universal reactor operational for as long as necessary beyond the announced date of 2016 and until secure alternative supplies of isotopes or alternative radiopharmaceuticals are proven and available.

## Collaborative development of patient-focused funding initiatives

<https://policybase.cma.ca/en/permalink/policy9844>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Ethics and medical professionalism  
Health systems, system funding and performance

Resolution: GC10-12

The Canadian Medical Association will work with provincial/territorial medical associations to ensure meaningful consultations by governments with physicians who are accountable to the medical profession in the collaborative development of patient-focused funding initiatives.

## Data on physician human resources

Health systems, system funding and performance  
Resolution: GC10-90  
The Canadian Medical Association will work with provincial/territorial medical associations to ensure investments made by the Canada Health Infoway are aligned with, and respect e-health strategies that are currently being implemented or developed within various jurisdictions.

## Expansion of the health care system through new funding

<https://policybase.cma.ca/en/permalink/policy332>

Policy Type: Policy resolution

Last Reviewed: 2019-Mar-03

Date: 1998-Sep-09

Topics: Health systems, system funding and performance

Resolution: GC98-32

That expansions or broadening of the health care system should be done with new funding and not through reallocations from medical care budgets.

## Family medicine residency positions

<https://policybase.cma.ca/en/permalink/policy1901>

Policy Type: Policy resolution

Last Reviewed: 2019-Mar-03

Date: 2005-Aug-17

Topics: Health human resources

Health systems, system funding and performance

Resolution: GC05-81

The Canadian Medical Association urges governments to assign targeted funding to increase the number of family medicine residency positions to meet recent increases in medical school enrolment and other demand factors.
