

Access to pediatric palliative care

<https://policybase.cma.ca/en/permalink/policy8504>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Population health/ health equity/ public health Health systems, system funding and performance
Resolution:	The Canadian Medical Association calls upon the federal government, in cooperation with provincial and territorial governments, to improve access to pediatric palliative care through enhanced funding, training and awareness campaigns.

Access to the comprehensive spectrum of medically necessary care

<https://policybase.cma.ca/en/permalink/policy8508>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health human resources Health systems, system funding and performance
Resolution:	The Canadian Medical Association and its divisions and affiliates call on the Federal/Provincial/Territorial Conference of Health Ministers to ensure that all Canadians have timely access to the comprehensive spectrum of medically necessary care by developing, through an open and consultative process, a policy framework that includes: a) a national human resources plan; b) national wait time benchmarks; c) a patient wait time guarantee supported by a publicly funded safety valve; and d) a regulatory regime to best support the public-private interface.

Canada's publicly funded health care system

<https://policybase.cma.ca/en/permalink/policy8515>

Policy Type:	Policy resolution
Last Reviewed:	2013-Mar-02
Date:	2006-Aug-23
Topics:	Health systems, system funding and performance
Resolution:	The Canadian Medical Association will develop specific recommendations that acknowledge the strengths of Canada's publicly funded health care system and that identify reforms within the publicly funded system to improve health care for all Canadians.
