Health information and e-health
Resolution: GC09-44

The Canadian Medical Association will work with provincial/territorial medical associations to carry out an inventory and assessment of the payment arrangements across Canada that foster the emergence of new practice models based on an interdisciplinary approach and the use of new information technologies.

Evaluation of the impact of health information technology

Topics: Health systems, system funding and performance
Health information and e-health
Resolution: GC09-24

The Canadian Medical Association and provincial/territorial medical associations call on governments to ensure completion of an evaluation of the impact of health information technology that considers the level of functionality and assesses its effect on patient and provider experience of care, population health and per capita costs.
