Resolution: GC00-196

That federal, provincial and territorial governments respond to the health care needs of Canadians by ensuring the provision of clinical care that continually incorporates evidence-based technological advances in information, prevention, and diagnostic and therapeutic services.

E-health strategies

Health systems, system funding and performance

Resolution: GC10-90

The Canadian Medical Association will work with provincial/territorial medical associations to ensure investments made by the Canada Health Infoway are aligned with, and respect e-health strategies that are currently being implemented or developed within various jurisdictions.
