Health human resources  
Health information and e-health

Resolution: GC07-110

The Canadian Medical Association and its provincial/territorial medical associations and affiliates call on Canada Health Infoway to support physicians in developing electronic medical records and linkages to electronic health records by making funding directly available to physicians.

## Evaluation of the impact of health information technology

<https://policybase.cma.ca/en/permalink/policy9505>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health systems, system funding and performance

Health information and e-health

Resolution: GC09-24

The Canadian Medical Association and provincial/territorial medical associations call on governments to ensure completion of an evaluation of the impact of health information technology that considers the level of functionality and assesses its effect on patient and provider experience of care, population health and per capita costs.
