Ambulance services

<https://policybase.cma.ca/en/permalink/policy786>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 1975-Jun-25

Topics: Health human resources

Health systems, system funding and performance

Resolution: GC75-21

The Canadian Medical Association, recognizing the vital role of ambulance services in providing mobile life support for the acutely ill and injured, recommends that i) ambulance services be considered, where practicable, a direct extension of a hospital emergency department and integrated with the emergency services, ii) ambulance services incorporate standards of personnel education, vehicular design and life support equipment commensurate with those of the overall emergency care system.

Better health, better care and better value
