Health systems, system funding and performance

Resolution: GC06-34

The Canadian Medical Association and its divisions and affiliates call on the Federal/Provincial/Territorial Conference of Health Ministers to ensure that all Canadians have timely access to the comprehensive spectrum of medically necessary care by developing, through an open and consultative process, a policy framework that includes: a) a national human resources plan; b) national wait time benchmarks; c) a patient wait time guarantee supported by a publicly funded safety valve; and d) a regulatory regime to best support the public-private interface.
