Physician workforce planning for under-serviced areas

<https://policybase.cma.ca/en/permalink/policy1900>

Policy Type: Policy resolution

Last Reviewed: 2019-Mar-03

Date: 2005-Aug-17

Topics: Health human resources

Health systems, system funding and performance

Resolution: GC05-80

The Canadian Medical Association recommends that any definition of under-serviced areas for physician workforce planning and related purposes must also include and recognize the needs of inner-city communities and populations, and not be limited to rural and remote locations.

Process improvement methodologies
