Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association urges Canadian medical schools to include in their curricula material related to the deleterious effect of negative stereotyping of Aboriginal peoples suffering from mental illnesses and substance use disorders.

Access to family physicians

<https://policybase.cma.ca/en/permalink/policy9231>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Health human resources
Health systems, system funding and performance

Resolution: The Canadian Medical Association, while recognizing the need for better management of chronic illnesses and vulnerable populations, considers that such an emphasis should not be detrimental to the efforts aimed at guaranteeing access to family physicians.

Acute care beds

<https://policybase.cma.ca/en/permalink/policy9224>

Policy Type:	Policy resolution
Last Reviewed:	2015-Feb-28
Date:	2008-Aug-20
Topics:	Population health/ health equity/ public health Health systems, system funding and performance
Resolution:	The Canadian Medical Association and provincial/territorial medical associations will work with governments to implement transparent and publicly available principles for the supply and effective management of functional acute care beds.

Alternate level of care

<https://policybase.cma.ca/en/permalink/policy9222>

Policy Type:	Policy resolution
Last Reviewed:	2015-Feb-28
Date:	2008-Aug-20
Topics:	Health care and patient safety Health systems, system funding and performance
Resolution:	The Canadian Medical Association and provincial/territorial medical associations advocate for a management strategy for patients requiring an alternate level of care that alleviates the pressure on acute care hospital resources.

Clinical preceptors

<https://policybase.cma.ca/en/permalink/policy9270>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Health human resources

Health systems, system funding and performance

Resolution: The Canadian Medical Association urges the Association of Faculties of Medicine of Canada to work in partnership with individual faculties of medicine to quantify the current pool of clinical preceptors, determine the number of additional clinical preceptors required and develop a strategy to recruit, retain and support these preceptors to meet the demands of the expanding number of undergraduate medical students.
