

Access to comprehensive psychiatric assessment

<https://policybase.cma.ca/en/permalink/policy10854>

Policy Type: Policy resolution

Date: 2013-Aug-21

Topics: Health systems, system funding and performance

Resolution: The Canadian Medical Association will work with stakeholders to develop standardized processes to ensure access to comprehensive psychiatric assessment and treatment for people detained within the correctional system.

Access to quality health care

<https://policybase.cma.ca/en/permalink/policy323>

Policy Type: Policy resolution

Last Reviewed: 2019-Mar-03

Date: 1998-Sep-09

Topics: Population health/ health equity/ public health
Health systems, system funding and performance

Resolution: That access to quality health care must be available to all Canadians, in a manner consistent with provincial/territorial human rights legislation and the Canadian Charter of Rights and Freedoms.

Accountability standards

<https://policybase.cma.ca/en/permalink/policy10860>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Physician practice/ compensation/ forms
Ethics and medical professionalism
Resolution: The Canadian Medical Association supports the development of data on health care delivery and patient outcomes to help the medical profession develop an appropriateness framework and associated accountability standards provided that patient and physician confidentiality is maintained.

Appropriateness in clinical care

<https://policybase.cma.ca/en/permalink/policy10855>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Physician practice/ compensation/ forms
Health systems, system funding and performance
Resolution: The Canadian Medical Association believes that fiscal benefits and cost savings of exercises in accountability and appropriateness in clinical care are a by-product rather than the primary focus of these exercises.

Appropriateness in clinical care

<https://policybase.cma.ca/en/permalink/policy10856>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Resolution: The Canadian Medical Association adopts the following definition for appropriateness in health care: It is the right care, provided by the right providers, to the right patient, in the right place, at the right time, resulting in optimal quality care.

Better health, better care and better value

<https://policybase.cma.ca/en/permalink/policy10960>

Policy Type: Policy resolution

Last Reviewed: 2019-Mar-03

Date: 2013-May-25

Topics: Health systems, system funding and performance
Population health/ health equity/ public health

Resolution: The Canadian Medical Association will continue to collaborate with the Council of the Federation – Health Care Innovation Working Group to help ensure that Canada delivers on better health, better care and better value.

Changes to the scope of practice for allied health professionals

<https://policybase.cma.ca/en/permalink/policy10880>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Resolution: The Canadian Medical Association encourages that changes to the scope of practice for allied health professionals occur only in the presence of a defined, transparent evaluation process that is based on clinical criteria and protects patient safety.

Clinical practice variation

<https://policybase.cma.ca/en/permalink/policy10853>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health human resources
Physician practice/ compensation/ forms
Health systems, system funding and performance
Resolution: The Canadian Medical Association will advocate for adequate physician input in the selection of evidence used to address costs and quality related to clinical practice variation.

Clinical tests and interventions

<https://policybase.cma.ca/en/permalink/policy10857>

Policy Type: Policy resolution
Date: 2013-Aug-21
Topics: Health systems, system funding and performance
Health care and patient safety
Resolution: The Canadian Medical Association will form a collaborative working group to develop specialty-specific lists of clinical tests/interventions and procedures for which benefits have generally not been shown to exceed the risks.
