Policy Type: Policy resolution

Last Reviewed: 2019-03-03

Date: 2005-08-17

Topics: Health human resources

Health systems, system funding and performance

Resolution: GC05-68

The Canadian Medical Association calls on the federal government to commission an independent body to assess and report on the capacity of the educational and training infrastructure across Canada to expand enrolment in medicine and nursing programs.

Decentralization of health care planning and management

<https://policybase.cma.ca/en/permalink/policy622>

Policy Type: Policy resolution

Last Reviewed: 2017-03-04

Date: 1992-08-19

Topics: Health systems, system funding and performance

Resolution: GC92-26

That the Canadian Medical Association continue to document decentralization of health planning/management initiatives and to provide the information necessary for members and divisions to have effective input into the development of decentralization policies and system management processes

Family medicine residency positions

<https://policybase.cma.ca/en/permalink/policy1901>

Policy Type: Policy resolution

Last Reviewed: 2019-03-03

Date: 2005-08-17

Topics: Health human resources

Health systems, system funding and performance

Resolution: GC05-81

The Canadian Medical Association urges governments to assign targeted funding to increase the number of family medicine residency positions to meet recent increases in medical school enrolment and other demand factors.

Physician workforce planning for under-serviced areas

<https://policybase.cma.ca/en/permalink/policy1900>

Policy Type: Policy resolution

Last Reviewed: 2019-03-03

Date: 2005-08-17

Topics: Health human resources

Health systems, system funding and performance

Resolution: GC05-80

The Canadian Medical Association recommends that any definition of under-serviced areas for physician workforce planning and related purposes must also include and recognize the needs of inner-city communities and populations, and not be limited to rural and remote locations.

A Prescription for Productivity: Toward a more efficient, equitable and effective health system : CMA's 2005 Pre-Budget Submission to the Standing Committee on Finance
