Capacity of the medical educational and training infrastructure

<https://policybase.cma.ca/en/permalink/policy1888>

Policy Type: Policy resolution
Last Reviewed: 2019-03-03
Date: 2005-08-17
Topics: Health human resources
Health systems, system funding and performance
Resolution: GC05-68

The Canadian Medical Association calls on the federal government to commission an independent body to assess and report on the capacity of the educational and training infrastructure across Canada to expand enrolment in medicine and nursing programs.

Consumer/provider choice and alternative health care financing arrangements

<https://policybase.cma.ca/en/permalink/policy632>

Policy Type: Policy resolution
Last Reviewed: 2017-03-04
Date: 1994-08-17
Topics: Health systems, system funding and performance
Resolution: GC94-30

That the Canadian Medical Association recommend that the governments of Canada review and, where necessary, revise current health legislation or regulations that unnecessarily restrict the personal choices of consumers and providers regarding alternatives in private insurance and other health care financing arrangements.

Family medicine residency positions

<https://policybase.cma.ca/en/permalink/policy1901>

Policy Type: Policy resolution
Last Reviewed: 2019-03-03
Date: 2005-08-17
Topics: Health human resources
Health systems, system funding and performance
Resolution: GC05-81

The Canadian Medical Association urges governments to assign targeted funding to increase the number of family medicine residency positions to meet recent increases in medical school enrolment and other demand factors.

National principles for publicly funded health care insurance

<https://policybase.cma.ca/en/permalink/policy629>

Policy Type: Policy resolution

Last Reviewed: 2017-03-04

Date: 1994-08-17

Topics: Health systems, system funding and performance

Resolution: GC94-25

That the Canadian Medical Association recommend that the federal government administer the national principles of publicly funded health care insurance in a fair and nonpreferential manner.

Physician workforce planning for under-serviced areas

<https://policybase.cma.ca/en/permalink/policy1900>

Policy Type: Policy resolution

Last Reviewed: 2019-03-03

Date: 2005-08-17

Topics: Health human resources

Health systems, system funding and performance

Resolution: GC05-80

The Canadian Medical Association recommends that any definition of under-serviced areas for physician workforce planning and related purposes must also include and recognize the needs of inner-city communities and populations, and not be limited to rural and remote locations.

A Prescription for Productivity: Toward a more efficient, equitable and effective health system : CMA's 2005 Pre-Budget Submission to the Standing Committee on Finance

Primary care delivery models

<https://policybase.cma.ca/en/permalink/policy1893>

Policy Type: Policy resolution
Last Reviewed: 2019-03-03
Date: 2005-08-17
Topics: Health systems, system funding and performance
Resolution: GC05-73
The Canadian Medical Association will conduct an economic evaluation of multidisciplinary and other primary care delivery models.

Private health insurance benefits

<https://policybase.cma.ca/en/permalink/policy633>

Policy Type: Policy resolution

Last Reviewed: 2017-03-04

Date: 1994-08-17

Topics: Health systems, system funding and performance

Resolution: GC94-31

That the Canadian Medical Association recommend that governments, the Canadian Medical Association and its divisions and the private health industry explore, on a priority basis, methods for appropriately accessing private health insurance benefits.
