

Accountability and health care funding

<https://policybase.cma.ca/en/permalink/policy654>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1995-Aug-16
Topics: Health systems, system funding and performance
Resolution: That the governments in Canada ensure that all funding for health care be transparent and accountable.

Canadian priorities for medical care funding

<https://policybase.cma.ca/en/permalink/policy648>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1995-Aug-16
Topics: Health systems, system funding and performance
Resolution: That Canadians have a right and responsibility to debate, establish priorities and make choices for medical care funding.

Capacity of the medical educational and training infrastructure

<https://policybase.cma.ca/en/permalink/policy1888>

Policy Type: Policy resolution
Last Reviewed: 2019-Mar-03
Date: 2005-Aug-17
Topics: Health human resources
Health systems, system funding and performance
Resolution: The Canadian Medical Association calls on the federal government to commission an independent body to assess and report on the capacity of the educational and training infrastructure across Canada to expand enrolment in medicine and nursing programs.

Family medicine residency positions

<https://policybase.cma.ca/en/permalink/policy1901>

Policy Type:	Policy resolution
Last Reviewed:	2019-Mar-03
Date:	2005-Aug-17
Topics:	Health human resources Health systems, system funding and performance
Resolution:	The Canadian Medical Association urges governments to assign targeted funding to increase the number of family medicine residency positions to meet recent increases in medical school enrolment and other demand factors.

Funding health care system research, education and management

<https://policybase.cma.ca/en/permalink/policy527>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1995-Aug-16
Topics:	Health systems, system funding and performance
Resolution:	That funding for medical and health care research, education, administration and management of the health care system be adequate and separate from those monies intended for clinical services.

Health care funding and quality health care services

<https://policybase.cma.ca/en/permalink/policy652>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1995-Aug-16
Topics:	Health systems, system funding and performance
Resolution:	That public funding must be sufficient to provide high-quality core, hospital and medical services for all Canadians.

Health care system management education and research

<https://policybase.cma.ca/en/permalink/policy526>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1995-Aug-16
Topics: Health human resources
Health systems, system funding and performance
Resolution: That the education of physicians in health care system management must be fostered and research in the management of health care systems must be increased.

Limited public funds for medical care

<https://policybase.cma.ca/en/permalink/policy655>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1995-Aug-16
Topics: Health systems, system funding and performance
Resolution: That the Canadian public, physicians and governments must face the reality that there are and will be limitations on the availability of publicly funded medical care based on the availability of the public purse to finance medical care.

Physicians and the management of medical services

<https://policybase.cma.ca/en/permalink/policy657>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1995-Aug-16
Topics: Ethics and medical professionalism
Health systems, system funding and performance
Resolution: That physicians must continue to play a leadership role in managing quality and utilization of medical services.

Physician workforce planning for under-serviced areas

<https://policybase.cma.ca/en/permalink/policy1900>

Policy Type: Policy resolution

Last Reviewed: 2019-Mar-03

Date: 2005-Aug-17

Topics: Health human resources

Health systems, system funding and performance

Resolution: The Canadian Medical Association recommends that any definition of under-serviced areas for physician workforce planning and related purposes must also include and recognize the needs of inner-city communities and populations, and not be limited to rural and remote locations.
