Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Ethics and medical professionalism
Health systems, system funding and performance

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations to ensure meaningful consultations by governments with physicians who are accountable to the medical profession in the collaborative development of patient-focused funding initiatives.

Examination of adverse events

<https://policybase.cma.ca/en/permalink/policy11692>

Policy Type:	Policy resolution
Last Reviewed:	2019-Mar-03
Date:	2008-Aug-20
Topics:	Health systems, system funding and performance Health care and patient safety Ethics and medical professionalism
Resolution:	The Canadian Medical Association calls on regulatory agencies, hospitals, health regions and others to utilize a non-punitive quality improvement approach to the examination of adverse events while still acknowledging individual accountability.

Medical information

<https://policybase.cma.ca/en/permalink/policy9281>

Policy Type:	Policy resolution
Last Reviewed:	2015-Feb-28
Date:	2008-Aug-20
Topics:	Ethics and medical professionalism Health information and e-health Health systems, system funding and performance
Resolution:	The Canadian Medical Association and provincial/territorial medical associations will seek legislative amendments that make the requesting third party responsible for payment for the provision of medical information collected (with patient understanding and consent) for the purposes of a return to work program or accommodation in the workplace.

Multidisciplinary care initiatives

<https://policybase.cma.ca/en/permalink/policy9863>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Health systems, system funding and performance
Ethics and medical professionalism
Health human resources

Resolution: The Canadian Medical Association supports the development of multidisciplinary care initiatives that incorporate long-term, sustainable funding and resources that remove financial barriers to incorporating diverse allied health professionals within medical practices.

Online continuing medical education courses for physicians

<https://policybase.cma.ca/en/permalink/policy9271>
