Health systems, system funding and performance

Resolution: GC08-114

The Canadian Medical Association and provincial/territorial medical associations will seek legislative amendments that make the requesting third party responsible for payment for the provision of medical information collected (with patient understanding and consent) for the purposes of a return to work program or accommodation in the workplace.

Telehealth

Physician practice/ compensation/ forms

Health information and e-health

Resolution: GC08-95

The Canadian Medical Association, in consultation with provincial/territorial medical associations, the College of Family Physicians of Canada and the Royal College of Physicians and Surgeons of Canada, will work with professional regulatory/licensing bodies to establish a harmonized policy environment that would support physicians who are providing telehealth care in multiple jurisdictions.
