Resolution: GC00-221

The CMA calls on governments and pharmaceutical manufacturers in Canada to ensure a supply of essential drugs for the exclusive use of developing countries, and to offset the numerous barriers hindering access to these drugs.

## Psycho-active substances and the operation of motor vehicles and industrial equipment

Resolution: GC73-50

That the membership of the Canadian Medical Association clearly inform its patients, and the general public at large, of the hazards associated with the operation of motor vehicles, industrial equipment, etc., while under the influence of psycho-active substances, especially alcohol and antihistamines, and particularly the combination of such substances.
