The CMAA is pleased to provide you with this response to your letter. The proposed changes to the regulations are intended to ensure that the packaging of prescription drugs is safe, secure, and tamper-resistant. The CMAA supports the proposed changes and will continue to work with the government to ensure that the regulations are implemented in a way that is consistent with the interests of patients and the public. The CMAA will continue to monitor the implementation of the regulations and will provide feedback to the government as needed. Thank you for your letter and for your ongoing commitment to improving the safety and security of the pharmaceutical supply chain in Canada. Sincerely, [Name], [Title].'
