Resolution:	GC92-09

That the Canadian Medical Association, while recognizing that the provincial/territorial licensing authorities have the ultimate authority regarding licensure requirements in their respective jurisdictions, wishes to reaffirm the principle that any rights and privileges that will be accorded to holders of the revised License of the Medical Council of Canada (LMCC) should be conferred on all physicians who completed their LMCC prior to the new requirements, including portability of eligibility for licensure.

## Goods and Services Tax (GST)

Resolution:	GC92-19

That the Canadian Medical Association, on behalf of its members and divisions and on the basis of its recent review of evidence on the impact of the Goods and Services Tax on Canadian physicians, continue its efforts to negotiate a tax rebate or such other arrangements so as to afford physicians the same fair treatment as is received by municipalities, universities, schools and hospitals.
