Increasing the number of family physicians

<https://policybase.cma.ca/en/permalink/policy1494>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2004-Aug-18

Topics: Health human resources
Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association calls on federal, provincial and territorial governments to work together to expand the number of comprehensive family physicians across Canada through the combined approach of training, recruitment and retention initiatives that are incentive based and developed with the input of actively practicing physicians.

Initiatives to reduce wait times

<https://policybase.cma.ca/en/permalink/policy1530>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2004-Aug-18

Topics: Ethics and medical professionalism
Health human resources
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association, consistent with A Prescription for Sustainability, advocates to reduce wait times through the following initiatives: a) development of pan-Canadian wait time benchmarks based on available evidence; b) a network of regional registries and referral programs for specialized care; c) streamlined referral for investigation and specialty consultations; and d) Canadian Health Access Fund designed to support inter-jurisdictional portability of care.

Liability
