Physician practice/ compensation/ forms

Resolution: GC04-36

The Canadian Medical Association calls on the federal, provincial and territorial governments to work together with the Association and its divisions and affiliates to develop initiatives that are incentive based to encourage family physicians to retain hospital affiliation and provide hospital care in supporting the provision of the full continuum of primary care to patients.

## Goods and Services Tax (GST)

<https://policybase.cma.ca/en/permalink/policy619>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 1992-Aug-19

Topics: Physician practice/ compensation/ forms

Resolution: GC92-19

That the Canadian Medical Association, on behalf of its members and divisions and on the basis of its recent review of evidence on the impact of the Goods and Services Tax on Canadian physicians, continue its efforts to negotiate a tax rebate or such other arrangements so as to afford physicians the same fair treatment as is received by municipalities, universities, schools and hospitals.

## Increasing the number of family physicians

Physician practice/ compensation/ forms

Resolution: GC04-15

The Canadian Medical Association, consistent with A Prescription for Sustainability, advocates to reduce wait times through the following initiatives: a) development of pan-Canadian wait time benchmarks based on available evidence; b) a network of regional registries and referral programs for specialized care; c) streamlined referral for investigation and specialty consultations; and d) Canadian Health Access Fund designed to support inter-jurisdictional portability of care.
