Health human resources

Physician practice/ compensation/ forms

Resolution: GC07-112

The Canadian Medical Association will examine ways to increase flexibility in a physician's workplace to create a healthy work-life balance and to communicate the importance that such balance plays in physician retention.

Processes to credential for and to grant and renew privileges to practice medicine

<https://policybase.cma.ca/en/permalink/policy11272>

Policy Type: Policy resolution

Date: 2014-08-20

Topics: Ethics and medical professionalism

Physician practice/ compensation/ forms

Resolution: GC14-76

The Canadian Medical Association will produce policy recommendations to allow for the involvement of practising physicians and provincial/territorial medical associations in the development of processes to credential for and to grant and renew privileges to practice medicine.
