

Aboriginal peoples and mental illness

<https://policybase.cma.ca/en/permalink/policy9210>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association urges Canadian medical schools to include in their curricula material related to the deleterious effect of negative stereotyping of Aboriginal peoples suffering from mental illnesses and substance use disorders.

Access to a family physician

<https://policybase.cma.ca/en/permalink/policy9534>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health human resources
Health systems, system funding and performance
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations (PTMAs) to urge governments to collaborate with PTMAs in the implementation of a program that will identify and manage "orphan" patients who do not have access to a family physician.

Accreditation Standards for Continuing Medical Education

<https://policybase.cma.ca/en/permalink/policy9379>

Policy Type:	Policy resolution
Last Reviewed:	2015-Feb-28
Date:	2008-Oct-04
Topics:	Ethics and medical professionalism Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association commends the rigorous accreditation standards for continuing medical education (CME) adopted by the Royal College of Physicians and Surgeons of Canada and the College of Family Physicians of Canada and supports constant vigilance to ensure that the content of accredited CME events is consistent with the best available scientific information and ethically sound practice.

Best practices in the organization and delivery of health care

<https://policybase.cma.ca/en/permalink/policy9548>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Health systems, system funding and performance Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations, affiliates, associates and other stakeholders to assess the feasibility of a national repository to evaluate, disseminate and promote the adoption of best practices in the organization and delivery of health care, directed at continuous quality improvement.

Canadian citizens completing medical training outside of Canada

<https://policybase.cma.ca/en/permalink/policy11690>

Policy Type:	Policy resolution
Last Reviewed:	2019-Mar-03
Date:	2008-Aug-20
Topics:	Health human resources Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association will develop a policy to facilitate the entry of Canadian citizens completing medical training outside of Canada into Canadian postgraduate training programs so long as this does not compromise the ability of graduates of Canadian medical schools to continue to obtain priority access to guaranteed residency training positions.

CanMEDs manager role and competencies

<https://policybase.cma.ca/en/permalink/policy11691>

Policy Type:	Policy resolution
Last Reviewed:	2019-Mar-03
Date:	2008-Aug-20
Topics:	Health human resources Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association, provincial/territorial medical associations and affiliates call on undergraduate medical education and postgraduate training programs at Canada's faculties of medicine to develop an integrated approach to teaching the principles of the CanMEDs manager role and competencies to all medical students and resident trainees.

Front-line care providers in epidemics

<https://policybase.cma.ca/en/permalink/policy9571>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health care and patient safety
Physician practice/ compensation/ forms
Ethics and medical professionalism

Resolution: The Canadian Medical Association, provincial/territorial medical associations, affiliates and associates urge governments to ensure that front-line care providers in practice and training are provided with adequate information, resources (including ventilators, masks, gloves, medications and vaccines) and personal and family disability and life insurance if performing clinical duties in the context of an epidemic or other public health emergency.

Gender discrimination

<https://policybase.cma.ca/en/permalink/policy9249>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Ethics and medical professionalism
Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association opposes all forms of gender discrimination exerted against Canadian physicians and trainees as a result of pressure from patients or their families seeking the application of measures or practices dictated by their religion or culture.

Health professionals serving with the Canadian Armed Forces

<https://policybase.cma.ca/en/permalink/policy9283>

Policy Type:	Policy resolution
Last Reviewed:	2015-Feb-28
Date:	2008-Aug-20
Topics:	Ethics and medical professionalism Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association recognizes the outstanding work accomplished by physicians and other health professionals serving with the Canadian Armed Forces and wishes to underscore their efforts and the great humanitarianism that they have demonstrated, and continue to demonstrate, during the mission in Afghanistan.

Hospital privileges

<https://policybase.cma.ca/en/permalink/policy9266>

Policy Type:	Policy resolution
Last Reviewed:	2015-Feb-28
Date:	2008-Aug-20
Topics:	Health systems, system funding and performance Health human resources Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association will work with provincial/territorial medical associations to inform faculties of medicine, provincial/territorial ministries of health and regional health authorities that the linking of hospital privileges of attending physicians to the requirement to teach and conduct research is unacceptable.
