

## Economic burden of medical education

<https://policybase.cma.ca/en/permalink/policy8556>

Policy Type: Policy resolution

Last Reviewed: 2013-Mar-02

Date: 2006-Aug-23

Topics: Health human resources

Physician practice/ compensation/ forms

Health systems, system funding and performance

Resolution: The Canadian Medical Association, working with its divisions and affiliates, will continue efforts to reduce the economic burden of medical education by advocating for interest-free government loans, regulation of tuition costs, expansion of bursaries and scholarships, financial assistance for residents in need, and education on debt avoidance and management strategies.
