

## Access to a family physician

<https://policybase.cma.ca/en/permalink/policy9534>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health human resources

Health systems, system funding and performance

Physician practice/ compensation/ forms

Resolution: The Canadian Medical Association will work with provincial/territorial medical associations (PTMAs) to urge governments to collaborate with PTMAs in the implementation of a program that will identify and manage "orphan" patients who do not have access to a family physician.

## Accountability standards

<https://policybase.cma.ca/en/permalink/policy10860>

Policy Type: Policy resolution

Date: 2013-Aug-21

Topics: Health systems, system funding and performance

Physician practice/ compensation/ forms

Ethics and medical professionalism

Resolution: The Canadian Medical Association supports the development of data on health care delivery and patient outcomes to help the medical profession develop an appropriateness framework and associated accountability standards provided that patient and physician confidentiality is maintained.

## Advocacy skills training

<https://policybase.cma.ca/en/permalink/policy10908>

Policy Type: Policy resolution  
Date: 2013-Aug-21  
Topics: Health human resources  
Physician practice/ compensation/ forms  
Resolution: The Canadian Medical Association will develop a suggested curriculum for advocacy skills training for medical students and residents.

## Appropriateness in clinical care

<https://policybase.cma.ca/en/permalink/policy10855>

Policy Type: Policy resolution  
Date: 2013-Aug-21  
Topics: Physician practice/ compensation/ forms  
Health systems, system funding and performance  
Resolution: The Canadian Medical Association believes that fiscal benefits and cost savings of exercises in accountability and appropriateness in clinical care are a by-product rather than the primary focus of these exercises.

## Best practices in the organization and delivery of health care

<https://policybase.cma.ca/en/permalink/policy9548>

Policy Type: Policy resolution  
Last Reviewed: 2016-May-20  
Date: 2009-Aug-19  
Topics: Health systems, system funding and performance  
Physician practice/ compensation/ forms  
Resolution: The Canadian Medical Association will work with provincial/territorial medical associations, affiliates, associates and other stakeholders to assess the feasibility of a national repository to evaluate, disseminate and promote the adoption of best practices in the organization and delivery of health care, directed at continuous quality improvement.

## Clinical practice variation

<https://policybase.cma.ca/en/permalink/policy10853>

Policy Type: Policy resolution  
Date: 2013-Aug-21  
Topics: Health human resources  
Physician practice/ compensation/ forms  
Health systems, system funding and performance  
Resolution: The Canadian Medical Association will advocate for adequate physician input in the selection of evidence used to address costs and quality related to clinical practice variation.

## Front-line care providers in epidemics

<https://policybase.cma.ca/en/permalink/policy9571>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2009-Aug-19
Topics:	Health care and patient safety Physician practice/ compensation/ forms Ethics and medical professionalism
Resolution:	The Canadian Medical Association, provincial/territorial medical associations, affiliates and associates urge governments to ensure that front-line care providers in practice and training are provided with adequate information, resources (including ventilators, masks, gloves, medications and vaccines) and personal and family disability and life insurance if performing clinical duties in the context of an epidemic or other public health emergency.

## Goods and Services Tax (GST)

<https://policybase.cma.ca/en/permalink/policy661>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	1996-Mar-04
Topics:	Physician practice/ compensation/ forms
Resolution:	In the event that governments fail to resolve the discriminatory effect of the GST on medical practices, that the Canadian Medical Association discuss with its members appropriate methods of passing on these additional costs to their patients.
