Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Physician practice/ compensation/ forms
Health systems, system funding and performance

Resolution: GC09-83

The Canadian Medical Association will work with relevant national specialty societies and provincial/territorial medical associations to develop guidelines to help provincial and territorial governments include mental illnesses under the definition of chronic diseases in fee codes and funding programs.

Pay for performance and quality measures in family medicine

<https://policybase.cma.ca/en/permalink/policy9511>

Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Health human resources
Ethics and medical professionalism
Physician practice/ compensation/ forms

Resolution: GC09-32

The Canadian Medical Association will develop a discussion paper on international experience and research related to pay for performance and quality measures in family medicine.

Policy that violates ratified agreements

<https://policybase.cma.ca/en/permalink/policy9572>

Policy Type: Policy resolution

Last Reviewed: 2016-05-20

Date: 2009-08-19

Topics: Health systems, system funding and performance
Physician practice/ compensation/ forms
Ethics and medical professionalism

Resolution: GC09-86

The Canadian Medical Association supports efforts to protect the integrity of representation and bargaining rights for physicians across Canada and will financially support the New Brunswick Medical Society in its court challenge concerning government legislation and policy that violates duly negotiated and ratified agreements and unilaterally suspends access to third-party arbitration.
