Lifetime clinical prevention schedule

<https://policybase.cma.ca/en/permalink/policy9855>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	2010-Aug-25
Topics:	Health systems, system funding and performance Physician practice/ compensation/ forms Population health/ health equity/ public health
Resolution:	The Canadian Medical Association, in collaboration with provincial/territorial medical associations, urges governments to support the development and implementation of a lifetime clinical prevention schedule based on scientific evidence and coordinated by primary care physicians.

Maternal and child health in developing countries

<https://policybase.cma.ca/en/permalink/policy9910>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	2010-Aug-25
Topics:	Ethics and medical professionalism Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association calls on the federal government to reconsider its decision not to fund medical termination of pregnancy services as part of its funding contributions for maternal and child health in developing countries.

Physician advocates

<https://policybase.cma.ca/en/permalink/policy9915>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	2010-Aug-25
Topics:	Ethics and medical professionalism Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association opposes any bylaws, codes of conduct or policies that have the potential to limit physicians' ability to speak out or advocate on behalf of their patients or to comment on issues that affect their ability to provide high quality clinical care.

Registered pension plans

<https://policybase.cma.ca/en/permalink/policy9907>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	2010-Aug-25
Topics:	Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association calls on the federal government to amend the Income Tax Act 1985 to allow professional associations to sponsor and manage registered pension plans for self-employed Canadians.

Telemedicine

<https://policybase.cma.ca/en/permalink/policy9911>

Policy Type:	Policy resolution
Last Reviewed:	2017-Mar-04
Date:	2010-Aug-25
Topics:	Health information and e-health Population health/ health equity/ public health Physician practice/ compensation/ forms
Resolution:	The Canadian Medical Association supports and will expedite research into the expansion of telemedicine and the utilization of emerging technologies, to directly link health care providers and patients.
