Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health human resources

Health systems, system funding and performance

Physician practice/ compensation/ forms

Resolution: GC09-29

The Canadian Medical Association will work with provincial/territorial medical associations (PTMAs) to urge governments to collaborate with PTMAs in the implementation of a program that will identify and manage "orphan" patients who do not have access to a family physician.

## Best practices in the organization and delivery of health care

<https://policybase.cma.ca/en/permalink/policy9548>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Health systems, system funding and performance

Physician practice/ compensation/ forms

Resolution: GC09-56

The Canadian Medical Association will work with provincial/territorial medical associations, affiliates, associates and other stakeholders to assess the feasibility of a national repository to evaluate, disseminate and promote the adoption of best practices in the organization and delivery of health care, directed at continuous quality improvement.

## Coercive legislation

<https://policybase.cma.ca/en/permalink/policy8539>

Policy Type: Policy resolution  
Last Reviewed: 2020-Feb-29  
Date: 2006-Aug-23  
Topics: Physician practice/ compensation/ forms  
Resolution: GC06-69

The Canadian Medical Association and its divisions staunchly oppose any form of coercive legislation in regard to the negotiation of working conditions and compensation of physicians.

## Front-line care providers in epidemics

<https://policybase.cma.ca/en/permalink/policy9571>

Policy Type: Policy resolution  
Last Reviewed: 2016-May-20  
Date: 2009-Aug-19  
Topics: Health care and patient safety  
Physician practice/ compensation/ forms  
Ethics and medical professionalism  
Resolution: GC09-85

The Canadian Medical Association, provincial/territorial medical associations, affiliates and associates urge governments to ensure that front-line care providers in practice and training are provided with adequate information, resources (including ventilators, masks, gloves, medications and vaccines) and personal and family disability and life insurance if performing clinical duties in the context of an epidemic or other public health emergency.

## Harmonized Sales Tax

<https://policybase.cma.ca/en/permalink/policy9909>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 2010-Aug-25  
Topics: Physician practice/ compensation/ forms  
Resolution: GC10-91

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, will work with governments to study the impact of the Harmonized Sales Tax and Goods and Services Tax with respect to medical practices and patient care delivery.

## Health and wellness plans for residents

<https://policybase.cma.ca/en/permalink/policy11944>

Policy Type: Policy resolution  
Date: 2016-Aug-24  
Topics: Ethics and medical professionalism  
Physician practice/ compensation/ forms  
Resolution: GC16-77

The Canadian Medical Association supports the development of health and wellness plans for residents that include tools for meditation and self-reflection.

## Improved practice and patient management techniques

<https://policybase.cma.ca/en/permalink/policy9547>

Policy Type: Policy resolution

Physician practice/ compensation/ forms  
Population health/ health equity/ public health

Resolution: GC10-24

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, urges governments to support the development and implementation of a lifetime clinical prevention schedule based on scientific evidence and coordinated by primary care physicians.

## Maternal and child health in developing countries

<https://policybase.cma.ca/en/permalink/policy9910>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 2010-Aug-25

Topics: Ethics and medical professionalism  
Physician practice/ compensation/ forms

Resolution: GC10-92

The Canadian Medical Association calls on the federal government to reconsider its decision not to fund medical termination of pregnancy services as part of its funding contributions for maternal and child health in developing countries.

## Mental illnesses

<https://policybase.cma.ca/en/permalink/policy9569>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Physician practice/ compensation/ forms  
Health systems, system funding and performance

Resolution: GC09-83

The Canadian Medical Association will work with relevant national specialty societies and provincial/territorial medical associations to develop guidelines to help provincial and territorial governments include mental illnesses under the definition of chronic diseases in fee codes and funding programs.
