Topics: Health care and patient safety
Population health/ health equity/ public health
Resolution: BD08-05-167
The Canadian Medical Association endorses the Canadian Patient Safety Institute's Canadian Disclosure Guidelines

Health Canada's new radon exposure guidelines

<https://policybase.cma.ca/en/permalink/policy11689>

Policy Type: Policy resolution
Last Reviewed: 2019-Mar-03
Date: 2008-Aug-20
Topics: Population health/ health equity/ public health
Health care and patient safety
Resolution: GC08-84
The Canadian Medical Association urges the federal government to ensure that private residences and public and commercial buildings in Canada are appropriately tested to meet Health Canada's new radon exposure guidelines.

Jordan's Principle

<https://policybase.cma.ca/en/permalink/policy9237>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Population health/ health equity/ public health
Health care and patient safety

Resolution: GC08-69

The Canadian Medical Association supports Jordan's Principle which states that where government services are available to Canadian children and a jurisdictional dispute arises around the cost of the services for Status First Nations and Inuit Indian children, the government of first contact pays the cost then resolves the jurisdictional dispute later.

Drug abuse

Health care and patient safety

Resolution: GC08-80

The Canadian Medical Association and provincial/territorial medical associations call on the federal government to work with the provinces and territories to adopt a national environmental health strategy.

National standards for ambient air quality

<https://policybase.cma.ca/en/permalink/policy9252>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Population health/ health equity/ public health
Health care and patient safety

Resolution: GC08-82

The Canadian Medical Association urges governments to adopt national standards for ambient air quality that are at least as stringent as the leading international standard.

Exposure to air pollution

<https://policybase.cma.ca/en/permalink/policy9253>

Policy Type: Policy resolution

Last Reviewed: 2015-Feb-28

Date: 2008-Aug-20

Topics: Health care and patient safety
Population health/ health equity/ public health

Resolution: GC08-83

The Canadian Medical Association urges the federal government to support research to understand the relationship between early childhood exposure to air pollution and long-term health effects that may occur as a result of this exposure.
