<https://policybase.cma.ca/en/permalink/policy11653>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health care and patient safety
Health information and e-health
Population health/ health equity/ public health
Resolution: GC15-73

The Canadian Medical Association supports the organization, centralization and management of cradle-to-grave health records for patients living in Canada.

Structured screening program for cervical cancer

<https://policybase.cma.ca/en/permalink/policy11659>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health care and patient safety
Population health/ health equity/ public health
Resolution: GC15-80

The Canadian Medical Association recommends the development of a structured screening program for cervical cancer that includes detection of high-risk human papillomavirus in vulnerable groups.

Declaration of immunization status

<https://policybase.cma.ca/en/permalink/policy11660>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/ health equity/ public health
Health care and patient safety
Resolution: GC15-81

The Canadian Medical Association recommends that governments authorize elementary and secondary schools to require a declaration of immunization status, to be followed by a conversation between public health officials and parents where children are shown to be inadequately immunized.

Effects of online gambling

<https://policybase.cma.ca/en/permalink/policy11668>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health care and patient safety
Population health/ health equity/ public health
Resolution: GC15-89

The Canadian Medical Association will consult with Health Canada to discuss the effects of online gambling.
