Continuum of care

<https://policybase.cma.ca/en/permalink/policy8844>

Policy Type: Policy resolution

Last Reviewed: 2014-Mar-01

Date: 2007-Aug-22

Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Health care and patient safety

Resolution: GC07-14

The Canadian Medical Association believes that the issue of the continuum of care must go beyond the question of financing and tackle questions related to the organisation of medicine and to the shared and joint responsibilities of individuals, communities and governments in matters of health care and promotion, prevention and rehabilitation.

Informal caregivers

Health systems, system funding and performance
Health care and patient safety

Resolution: GC07-16

The Canadian Medical Association and its provincial/territorial medical associations and affiliates recommend that governments undertake pilot studies to support informal caregivers and long-term care patients, including those that: a. explore tax credits and/or direct compensation to compensate informal caregivers for their work; b. expand relief programs for informal caregivers that provide guaranteed access to respite services in emergency situations; c. expand income and asset testing for residents requiring assisted living and long-term care; and d. promote information on advanced directives and representation agreements for patients.

Access to safe and nutritious food for children in northern communities

<https://policybase.cma.ca/en/permalink/policy8877>

Policy Type: Policy resolution

Last Reviewed: 2014-Mar-01

Date: 2007-Aug-22

Topics: Population health/ health equity/ public health
Health care and patient safety

Resolution: GC07-66

The Canadian Medical Association calls on the federal government to promote access to safe and nutritious food for children in northern communities affected by disruptions in traditional food-acquisition methods and a shift to a more processed low-nutrient diet.

Integrated water stewardship

<https://policybase.cma.ca/en/permalink/policy8885>

Policy Type: Policy resolution

Last Reviewed: 2014-Mar-01

Date: 2007-Aug-22

Topics: Population health/ health equity/ public health
Health care and patient safety

Resolution: GC07-67

The Canadian Medical Association calls on all levels of government to adopt an integrated water stewardship approach to ensure that all Canadians have access to adequate supplies of clean, safe and reliable drinking water.

The environment and tax incentives

<https://policybase.cma.ca/en/permalink/policy8889>

Policy Type: Policy resolution
Last Reviewed: 2014-Mar-01
Date: 2007-Aug-22
Topics: Health care and patient safety
Population health/ health equity/ public health
Resolution: GC07-72

The Canadian Medical Association calls on the federal government to provide incentives, such as tax incentives and tax and emission credits, to promote the early adoption of environmental technologies and practices in all industries and sectors (private and public) of the economy as part of a comprehensive and integrated strategy.

Air pollution

<https://policybase.cma.ca/en/permalink/policy8891>

Policy Type: Policy resolution
Last Reviewed: 2014-Mar-01
Date: 2007-Aug-22
Topics: Health care and patient safety
Population health/ health equity/ public health
Resolution: GC07-76

The Canadian Medical Association urges the federal government to improve the quality of the air that Canadians breathe by strengthening initiatives to reduce domestic air pollution emissions and advocating strongly for emission reductions in bordering American states.

Improvements in air quality
