Policy Type: Policy resolution

Last Reviewed: 2020-Feb-29

Date: 2008-Aug-20

Topics: Population health/ health equity/ public health
Health systems, system funding and performance

Resolution: GC08-43

The Canadian Medical Association and provincial/territorial medical associations will work with governments to implement transparent and publicly available principles for the supply and effective management of functional acute care beds.

Patient-focused funding

<https://policybase.cma.ca/en/permalink/policy9233>

Policy Type: Policy resolution

Last Reviewed: 2020-Feb-29

Date: 2008-Aug-20

Topics: Population health/ health equity/ public health
Health systems, system funding and performance

Resolution: GC08-53

The Canadian Medical Association recognizes that any patient-focused funding model should incorporate an incentive for providing timely access to services close to the patient's home to minimize increases in medical travel costs.

Mental health services and Canadian Forces members

<https://policybase.cma.ca/en/permalink/policy9235>
