Resolution:	The Canadian Medical Association (CMA) approves the inclusion of medical laboratory assistant as a CMA-designated health science profession in the conjoint accreditation process.

Canada Extended Health Services Act

<https://policybase.cma.ca/en/permalink/policy8840>

Policy Type: Policy resolution
Last Reviewed: 2014-Mar-01
Date: 2007-Aug-22
Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Resolution: The Canadian Medical Association will develop a policy framework and design principles for access to publicly funded medically necessary services in the home and community setting that can become the basis for urging governments to develop a Canada Extended Health Services Act.

Continuum of care

<https://policybase.cma.ca/en/permalink/policy8844>

Policy Type: Policy resolution
Last Reviewed: 2014-Mar-01
Date: 2007-Aug-22
Topics: Population health/ health equity/ public health
Health systems, system funding and performance
Health care and patient safety
Resolution: The Canadian Medical Association believes that the issue of the continuum of care must go beyond the question of financing and tackle questions related to the organisation of medicine and to the shared and joint responsibilities of individuals, communities and governments in matters of health care and promotion, prevention and rehabilitation.
