Topics: Population health/ health equity/ public health  
Health care and patient safety  
Resolution: GC10-84  
The Canadian Medical Association will work with provincial/territorial medical associations, affiliate and associate organizations, and other stakeholders to further develop educational materials for primary care providers and women on the importance of pre-pregnancy and early-pregnancy health, and early access to comprehensive pregnancy care.

## Data on maternal morbidity and mortality and infant births and deaths

<https://policybase.cma.ca/en/permalink/policy8505>

Policy Type: Policy resolution

Last Reviewed: 2020-Feb-29

Date: 2006-Aug-23

Topics: Population health/ health equity/ public health  
Health information and e-health

Resolution: GC06-13

The Canadian Medical Association and its divisions and affiliates will call on governments to ensure that the data collected on maternal morbidity and mortality and infant births and deaths are comparable across Canada.

## Health care services for children

<https://policybase.cma.ca/en/permalink/policy8523>

Policy Type: Policy resolution

Last Reviewed: 2020-Feb-29

Date: 2006-Aug-23

Topics: Population health/ health equity/ public health  
Health care and patient safety

Resolution: GC06-19

The Canadian Medical Association calls on governments to work closely with health stakeholders to provide seamless delivery of a comprehensive basket of mental and developmental health care services for children.

## The health status of Aboriginal children

<https://policybase.cma.ca/en/permalink/policy8503>

Policy Type: Policy resolution

Last Reviewed: 2013-Mar-02

Date: 2006-Aug-23

Topics: Population health/ health equity/ public health  
Health care and patient safety

Resolution: GC06-11

The Canadian Medical Association calls on the Minister of Health to work with other federal departments, the CMA and others to address the failure of previous federal efforts to raise the health status of Aboriginal children to the national level by developing a differentiated children's health strategy, creating safe environments, developing equitable educational opportunities and creating effective programs to deal with obesity, diabetes, substance abuse and other issues.

## Lifetime clinical prevention schedule

<https://policybase.cma.ca/en/permalink/policy9855>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04
