Population health/ health equity/ public health
Resolution: GC04-50
The Canadian Medical Association calls on the federal government to rescind the registration of combined fertilizer/pesticides.

Cradle-to-grave health records for patients living in Canada

<https://policybase.cma.ca/en/permalink/policy11653>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health care and patient safety
Health information and e-health
Population health/ health equity/ public health
Resolution: GC15-73
The Canadian Medical Association supports the organization, centralization and management of cradle-to-grave health records for patients living in Canada.

Declaration of immunization status

<https://policybase.cma.ca/en/permalink/policy11660>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Population health/ health equity/ public health
Health care and patient safety
Resolution: GC15-81

The Canadian Medical Association recommends that governments authorize elementary and secondary schools to require a declaration of immunization status, to be followed by a conversation between public health officials and parents where children are shown to be inadequately immunized.

Effects of online gambling

<https://policybase.cma.ca/en/permalink/policy11668>

Policy Type: Policy resolution
Date: 2015-Aug-26
Topics: Health care and patient safety
Population health/ health equity/ public health
Resolution: GC15-89

Health care services for children

<https://policybase.cma.ca/en/permalink/policy8523>

Policy Type: Policy resolution

Last Reviewed: 2020-Feb-29

Date: 2006-Aug-23

Topics: Population health/ health equity/ public health
Health care and patient safety

Resolution: GC06-19

The Canadian Medical Association calls on governments to work closely with health stakeholders to provide seamless delivery of a comprehensive basket of mental and developmental health care services for children.

The health status of Aboriginal children

<https://policybase.cma.ca/en/permalink/policy8503>

Policy Type: Policy resolution

Last Reviewed: 2013-Mar-02

Date: 2006-Aug-23

Topics: Population health/ health equity/ public health
Health care and patient safety

Resolution: GC06-11

The Canadian Medical Association calls on the Minister of Health to work with other federal departments, the CMA and others to address the failure of previous federal efforts to raise the health status of Aboriginal children to the national level by developing a differentiated children's health strategy, creating safe environments, developing equitable educational opportunities and creating effective programs to deal with obesity, diabetes, substance abuse and other issues.

Nicotine-based drinks

<https://policybase.cma.ca/en/permalink/policy8541>

Policy Type: Policy resolution

Last Reviewed: 2020-Feb-29

Date: 2006-Aug-23

Topics: Health care and patient safety

Population health/ health equity/ public health

Resolution: GC06-71

The Canadian Medical Association calls on the Federal Minister of Health to ban the sale or distribution of nicotine-based drinks in Canada.
