Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 1991-May-25
Topics: Population health/ health equity/ public health
Resolution: BD91-05-204

That the Council on Health Policy and Economics assess the financial impact of the goods and services tax on the medical profession through membership surveys, audits, etc., and that the Canadian Medical Association continue to make representation to the government of Canada for fair treatment of the medical profession under the goods and services tax.

Health and Sustainable Development: the Role of the Medical Profession

<https://policybase.cma.ca/en/permalink/policy812>

Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 1991-May-25
Topics: Population health/ health equity/ public health
Resolution: BD91-05-190

That the Board approve as Canadian Medical Association policy the executive summary entitled "Health and Sustainable Development: the Role of the Medical Profession", including the recommendations contained in the executive summary; further that the supporting background document, dated May, 1991, be accepted.

Health warning labels on alcoholic beverages

<https://policybase.cma.ca/en/permalink/policy733>

Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 1991-Aug-15
Topics: Population health/ health equity/ public health
Resolution: GC91-28

That the Canadian Medical Association actively promote the institution of health hazard warning labels on all beverage alcohol sold in Canada.

Noise pollution

<https://policybase.cma.ca/en/permalink/policy787>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1975-Jun-25
Topics: Population health/ health equity/ public health
Resolution: GC75-34

The Canadian Medical Association, recognizing that noise pollution is a significant and increasing health hazard in the work and home environments of most Canadians, calls on all levels of government to delineate, legislate, monitor and enforce laws on the question of noise.

Noise pollution and health

<https://policybase.cma.ca/en/permalink/policy788>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1975-Jun-25
Topics: Population health/ health equity/ public health
Resolution: GC75-35

That physicians make themselves more aware of the health hazards associated with noise and wherever possible take the necessary steps to reduce such hazards, particularly in their own working environments.

Nutrition counseling

<https://policybase.cma.ca/en/permalink/policy784>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1975-Jun-25
Topics: Population health/ health equity/ public health
Resolution: GC75-19

That, recognizing the importance of comprehensive nutrition counselling services, the Canadian Medical Association urge that such services be made widely available within the framework of the health care system.

Preventive practices of health professionals

<https://policybase.cma.ca/en/permalink/policy747>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1991-Oct-19
Topics: Population health/ health equity/ public health
Resolution: BD92-03-34

That the Canadian Medical Association approve in principle the concept of enhancing preventive practices of health professionals.

Programmes for drug addicts

<https://policybase.cma.ca/en/permalink/policy780>

Policy Type: Policy resolution
Last Reviewed: 2017-Mar-04
Date: 1973-Jun-16
Topics: Population health/ health equity/ public health
Resolution: GC73-43

That the Canadian Medical Association favours the availability of multi-modal programmes to aid in dealing with the many faceted needs of the drug dependent population and taking into account the multi-drug use problem.

Psycho-active substances and the operation of motor vehicles and industrial equipment

<https://policybase.cma.ca/en/permalink/policy781>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 1973-Jun-16

Topics: Pharmaceuticals/ prescribing/ cannabis/ marijuana/ drugs
Population health/ health equity/ public health

Resolution: GC73-50

That the membership of the Canadian Medical Association clearly inform its patients, and the general public at large, of the hazards associated with the operation of motor vehicles, industrial equipment, etc., while under the influence of psycho-active substances, especially alcohol and antihistamines, and particularly the combination of such substances.

School health programmes
