Policy Type: Policy resolution  
Last Reviewed: 2017-03-04  
Date: 1981-08-28  
Topics: Population health/ health equity/ public health  
Resolution: GC81-39

That the Canadian Medical Association strongly support the value of breast feeding, and that suggestions be made to the manufacturers of infant formulas that their advertising should reflect the supplemental nature of their product rather than a replacement for mother's milk.

## Health care is a provincial responsibility

<https://policybase.cma.ca/en/permalink/policy498>

Policy Type: Policy resolution  
Last Reviewed: 2011-03-05  
Date: 1986-12-13  
Topics: Population health/ health equity/ public health  
Resolution: BD87-03-82

That the Canadian Medical Association develop and adopt policies, lobby the Government of Canada and at the federal/provincial/territorial government interface, and encourage its provincial/territorial divisions to lobby provincial/territorial governments to realize recognition that all health care matters are an explicit provincial/territorial prerogative and responsibility (as recognized in the Constitution).

## Hospital privileges for family physicians

<https://policybase.cma.ca/en/permalink/policy535>

Policy Type: Policy resolution  
Last Reviewed: 2017-03-04  
Date: 1981-03-14  
Topics: Population health/ health equity/ public health  
Resolution: BD81-03-74

That the Canadian Medical Association recommends that hospital privileges for family physicians should be dependent on licensure by the provincial medical licensing bodies and should not be restricted to those physicians holding certification from the College of Family Physicians of Canada.

## Infant formula
