Health care and patient safety

Resolution: GC08-84

The Canadian Medical Association urges the federal government to ensure that private residences and public and commercial buildings in Canada are appropriately tested to meet Health Canada's new radon exposure guidelines.

## Health care is a provincial responsibility

<https://policybase.cma.ca/en/permalink/policy498>

Policy Type: Policy resolution

Last Reviewed: 2011-03-05

Date: 1986-12-13

Topics: Population health/ health equity/ public health

Resolution: BD87-03-82

That the Canadian Medical Association develop and adopt policies, lobby the Government of Canada and at the federal/provincial/territorial government interface, and encourage its provincial/territorial divisions to lobby provincial/territorial governments to realize recognition that all health care matters are an explicit provincial/territorial prerogative and responsibility (as recognized in the Constitution).
