Freedom of choice for physicians and patients

<https://policybase.cma.ca/en/permalink/policy72>

Policy Type: Policy resolution
Last Reviewed: 2016-05-20
Date: 2002-08-21
Topics: Population health/ health equity/ public health
Resolution: GC02-87

That Canadian Medical Association, divisions and affiliates strongly oppose any government legislation that would enforce restrictions on the freedom of choice of physicians and patients, thus undermining the provision of quality patient care.
