Effects of economic activities on health and the environment

<https://policybase.cma.ca/en/permalink/policy726>

Policy Type: Policy resolution
Last Reviewed: 2015-Feb-28
Date: 1990-Aug-23
Topics: Population health/ health equity/ public health
Resolution: That the Canadian Medical Association recommend to all levels of government that they evaluate all economic activities in the light of their effect on health and environment, and that standards be set and enforced to minimize adverse effects on health and environment.

Freedom of choice for physicians and patients

<https://policybase.cma.ca/en/permalink/policy72>

Policy Type:	Policy resolution
Last Reviewed:	2016-May-20
Date:	2002-Aug-21
Topics:	Population health/ health equity/ public health
Resolution:	That Canadian Medical Association, divisions and affiliates strongly oppose any government legislation that would enforce restrictions on the freedom of choice of physicians and patients, thus undermining the provision of quality patient care.
