Definition of women's health

<https://policybase.cma.ca/en/permalink/policy771>

Policy Type: Policy resolution

Last Reviewed: 2017-Mar-04

Date: 1996-May-04

Topics: Population health/ health equity/ public health

Resolution: That the Canadian Medical Association endorse the following definition of women's health and use it to guide the association's work in this area: Women's health involves women's emotional, social, cultural, spiritual and physical well-being, and it is determined by the social, political and economic context of women's lives as well as by biology.

Freedom of choice for physicians and patients

<https://policybase.cma.ca/en/permalink/policy72>

Policy Type: Policy resolution
Last Reviewed: 2016-May-20
Date: 2002-Aug-21
Topics: Population health/ health equity/ public health
Resolution: That Canadian Medical Association, divisions and affiliates strongly oppose any government legislation that would enforce restrictions on the freedom of choice of physicians and patients, thus undermining the provision of quality patient care.
