A thumbnail image of a PDF document. The header includes the CMA and AMC logos and the text 'Policy Resolution' and 'de politiques'. The main title is 'Collaboration on non-coercive solution to physician shortages'. Below the title, there is a date 'Date: 2002-Aug-21' and a paragraph of text. At the bottom, there is a logo for the Canadian Medical Association.

## Definition of women's health

<https://policybase.cma.ca/en/permalink/policy771>

Policy Type: Policy resolution  
Last Reviewed: 2017-Mar-04  
Date: 1996-May-04  
Topics: Population health/ health equity/ public health  
Resolution: That the Canadian Medical Association endorse the following definition of women's health and use it to guide the association's work in this area: Women's health involves women's emotional, social, cultural, spiritual and physical well-being, and it is determined by the social, political and economic context of women's lives as well as by biology.

## Drug price controls

<https://policybase.cma.ca/en/permalink/policy639>

Policy Type: Policy resolution  
 Last Reviewed: 2017-Mar-04  
 Date: 1993-May-08  
 Topics: Population health/ health equity/ public health  
 Resolution: That the Canadian Medical Association endorse efforts by the PMPRB to adopt more stringent price controls on drugs judged to be of "minimal or no therapeutic" benefit.

## Freedom of choice for physicians and patients

<https://policybase.cma.ca/en/permalink/policy72>

Policy Type: Policy resolution  
 Last Reviewed: 2016-May-20  
 Date: 2002-Aug-21  
 Topics: Population health/ health equity/ public health  
 Resolution: That Canadian Medical Association, divisions and affiliates strongly oppose any government legislation that would enforce restrictions on the freedom of choice of physicians and patients, thus undermining the provision of quality patient care.
