Access to long-term care

<https://policybase.cma.ca/en/permalink/policy9500>

Policy Type: Policy resolution

Last Reviewed: 2016-May-20

Date: 2009-Aug-19

Topics: Population health/ health equity/ public health
Health systems, system funding and performance

Resolution: GC09-19

The Canadian Medical Association, in collaboration with provincial/territorial medical associations, affiliates and associates, will communicate to governments that insufficient access to long-term care at all ages is an obstacle to improving the health care system.

Access to public long-term care homes

<https://policybase.cma.ca/en/permalink/policy11906>

Policy Type: Policy resolution
 Date: 2016-Aug-24
 Topics: Health systems, system funding and performance
 Population health/ health equity/ public health
 Resolution: GC16-35

The Canadian Medical Association will raise the federal government's awareness of the inequitable access to public long-term care homes that is experienced by patients with financial, cultural and/or linguistic barriers.
